## S1

Space 1

### For uninterrupted calls

Space 1 puts your work space to most efficient use by creating an island of silence in an open space. Silen's smallest Space brings the greatest relief.

## S2

Space 2

### For a smooth dialogue

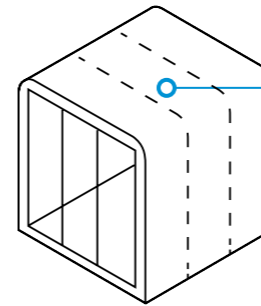

Space 2 is a stylish interior space element that separates the high focus work area from its more relaxed cousins. A perfect fit for a focused work session for two.

## S4/S6

Space 4 / Space 6

### More space for ideas

The modular structure means that you can quickly change your Space size when you need it. By adding modules you can upgrade your Space for up to 6 people.

### Turn the wall into the giant tablet

SMART-i-WALL® integrates technology into the partition. High resolution 4K display with multitouch control for multi-user collaboration at one time.
